Dear Parents/Guardians,

Health Talk 2009-10 PTA003B

In Hong Kong, influenza peaks in January to March and July to August every year. It is highly contagious by air transmission. To prevent the spread of diseases, we should pay attention to personal and environmental hygiene.

In order to let parents understand the viruses and know how to take care of their children, 'The Parent-Teacher Association of Chiu Sheung School' is organizing a health talk. Details are as follow:

Date: 15th January, 2010
 Time: 6:30 - 7:45 p.m.
 Venue: School Hall
 Language: Cantonese
 Schedule:

1.	6:20-6:30	Register
2.	6:30-6:32	Welcome speech by PTA Chairman and Principal
3.	6:32-7:30	Health Talk by Dr S.Y. Lam (Vice-Chairman)
4.	7:30-7:45	Q & A
