4th November, 2020

Dear Parents/Guardians,

Notice on "Supplementary Information about Seasonal Influenza Vaccination at School"

2020-2021 No. 042B

(To: All Students)

Our school has participated in the "Optimization of Outreach Vaccination Plan" under the "Vaccination Subsidy Scheme" implemented by the Department of Health in the school year 2020/21. The Family Medical Centre will arrange vaccination team to give free seasonal influenza vaccine (1st and 2nd doses) to our students on 11th December, 2020 (Friday) and 29th January, 2021 (Friday).

In response to media reports that there have been multiple incidents of adverse reactions in South Korea suspected to be related to influenza vaccination from "Sanofi Pharmaceutical Factory" , our school is very concerned about the safety of influenza vaccination for our students and immediately contacted the Department of Health and Family Medical Centre. It is clarified that the vaccine used for our school is provided by the U.K. pharmaceutical company "GlaxoSmithKline Limited" (GSK).

For students who have joined the influenza vaccine program, the scheduled vaccination will continue to be carried out on the above date. For enquiries, please contact Ms. Mimi Lee at 2546 1644.

Mr. Chim Hon Ming
 Principal, CSSHK
