Dear Parents/Guardians,

Special Arrangements on vaccination against seasonal influenza 2020-21 No.e051B
(To: All students)

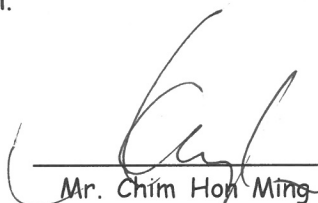

The suspension of face-to-face classes will start from Wednesday 2/12 this week. Taking account of the commencement of the winter influenza season and the well-being of students, the school has discussed with Kinetics Medical Health Group Company Limited, the responsible organisation to arrange vaccination for those students who have previously signed up for the vaccination on the following dates.

- P.1 - P.3 on Friday 11/12
13:00-13:45 : P.1
13:45-14:30 : P.2
14:30-15:15 : P.3
- P.4 - P.6 on Friday 18/12
13:00-13:45 : P.4
13:45-14:30 : P.5
14:30-15:15 : P.6

Parents are requested to accompany their children back to school (in school PE uniforms) according to the time indicated and take care of them throughout the process.

In addition, if there are children in different grades, parents can bring them back to school at the same time to receive injections.

If parents decide not to participate in this injection, please inform the class teacher as soon as possible to facilitate the arrangement. Students who do not participate in this vaccination will not be arranged to receive additional vaccination.
