

8th March, 2021

Dear Parents/Guardians,

Arrangements of classes during the COVID-19 period 2020-21 No.e064B
 (To: All students)

According to the guidelines of the Education Bureau, the school has arranged the P.5-6 (one-third of the total number of students) to go back to school for face-to-face classes after the Chinese New Year holiday while P.1-4 continue for online teaching.

We understand that parents very much hope that students can have more time for face-to-face classes so that their learning opportunities will not be deprived of and their social, physical and mental developments will not be hindered due to the prolonged fight against the epidemic. The school also hopes to adopt appropriate measures and arrangements to meet the learning needs of students and try to strike a balance between learning and fighting the epidemic.

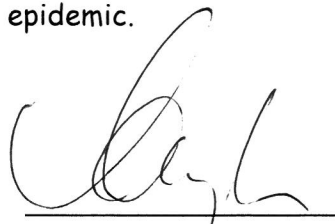

However, given that the current epidemic situation is still volatile, the health and safety of students and their families is still our top priority. Parents please pay attention to the following arrangements:

1. Unless there are further announcements by the Education Bureau, the current classes schedule will be maintained until 19th March when the P.6 finished the SSPA assessment;
2. Starting from 22nd March, if there is no change in the current restriction of face-to-face classes:
 - The P.5 will go back to school every day for face-to-face classes;
 - The rest of the grades will take turns back to school for face-to-face classes:

Monday	:	P.5 & P.4
Tuesday	:	P.5 & P.3
Wednesday	:	P.5 & P.1
Thursday	:	P.5 & P.6
Friday	:	P.5 & P.2

We hope that the above arrangement can offer students of each grade the opportunity of face-to-face classes covering the four main subjects every week, so as to strike a balance between the learning needs of students and the fighting of the epidemic.

Thank you for your attention.
