Dear Parents/Guardians,

Early Vaccination for All COVID-19 Vaccination Programme 2020-21 No.e116B
(To: All students)

In response to the government's 2019 coronavirus vaccination plan, I and the school staff have successively made appointments and vaccinations. Parents are now urged to actively vaccinate so as to protect themselves and others, establish a herd immunity barrier as soon as possible, so that Hong Kong society will gradually return to normal operations.

Vaccination is the top priority of the anti-epidemic strategy. The more people get vaccinated, the greater the effectiveness of epidemic prevention. Unless your physical condition does not permit, we encourage and hope that all parents/guardians will be vaccinated as soon as possible and work together to maintain a healthy and safe school campus.

Parents can learn more about the vaccines and make appointments through the government vaccine website (www.covidvaccine.gov.hk).

Mr. Chim Hon Ming
Principal, CSSHK
