Dear Parents/Guardians,

Notice on Student's Health Status and Religious Practice 2021-2022 No.002B

(To: All Students)

In order to have more details concerning the health status and the religious practice of your child, parents need to read the following thoroughly and return the slip to the class teacher on or before 3/9 for records.

1. If your child is unable to attend P.E. lessons for a period of time because of health reasons, please notify the school authority and apply for exemption with a doctor's certificate.
2. If there is any change of your child's health condition, please notify the school authority in writing with a letter signed by the parent/guardian. If parents are not sure whether your child is suitable to attend the lessons or not, please ask the doctor for advice.
3. P.E. teachers have the right to ask students to attend classes as usual if there is no written application for exemption.
4. If your child has any food or medical allergy and any religious practice, please inform the class teacher so we can take note on that.
