Dear Parents/Guardians,

eClass Parent App and ePayment (AlipayHK) 2021-2022 No.015B
(To: P.1 and New Students)

To strengthen the communication between parents and school, a smartphone app "eClass Parent App" has been used by school to distribute school daily instant messages to parents from this school year.

In addition, eCirculars are also distributed to parents through this app. Parent can also pay the fee by linking to AlipayHK app in your mobile phone directly. To ensure you can receive every eCircular and to protect your ePayment process securely, all parents are recommended to use your own device (smartphone or tablet) and to stay logged-in with the system all the time. Please don't let your child or any other people to login the system using their devices. In the meantime, all circulars will keep uploaded to the school website for your information.

Parents can download the app in Google Play Store (Android) or Apple's App Store (iPhone / iPad) by searching "eClass Parent App".

Login details can be found in the attached user guide. The login user name and password are printed on a sticker in your child's student handbook. The template is as follow:
