Storybook reading is not only an interesting parent-child activity, but it also helps improve children's language, reading, writing and social communication skills. A parents' workshop on "Interactive Storybook Reading" is, thus, going to be organised. Our School-based Speech Therapist, Mr Toto Siu will be the speaker. Details are as follows:

Time:	11.30 a.m. - 12.15 p.m.
Venue:	School Hall
Quota:	20 parents
Remarks:	<ol style="list-style-type: none"> 1. Owing to the limited space available, selection will be made by drawing lots in case of oversubscription. 2. Only successful applicants will receive individual notification via e-Class Parent App. 3. To ensure the safety and health of students, parents participating in this activity must comply with the "*Vaccination or Regular Testing Requirements" issued by the Education Bureau. When parents enter the campus, they must <u>show a record of completing the first dose of COVID-19 vaccine or possess a negative virus test report approved by the government within 7 days</u>. Those who fail to meet the requirements will not be allowed to enter the campus. (*The EDB requires that starting from 1st September 2021, all teachers and school staff including those persons who frequently visit school campuses must have received at least one dose of COVID-19 vaccine, or undergo regular self-financed COVID-19 tests and receive negative results.) 4. The activity will be postponed if Typhoon No.8 or above, Red/Black Rainstorm signal is hoisted within two hours before the start of activity, or the Education Bureau advises primary schools in the whole territory of individual districts to suspend classes.

Please return the reply slip on or before 15th December, 2021. For further enquiries, please contact our School-based Speech Therapist, Mr Toto Siu. Thank you for your attention.
