14th February, 2022

Dear Parents/Guardians,

Notice on "COVID-19 Vaccination Programme -
Vaccination arrangements for students aged 5 to 17" 2021-22 No. e124B
(To: All Students)

The Centre for Health Protection of the Department of Health together with the Chief Executive's Expert Advisory Panel published, on 17th January 2022, an update of the consensus interim recommendations on the use of COVID-19 vaccines in children in Hong Kong.

Children between the ages of 5 and 11 can be vaccinated with Sinovac vaccine from 21st January 2022 (the minimum age will be lowered to three from 15th February) or Comirnaty vaccine (BioNTech) at the Children's Community Vaccination Center from 16th February 2022.

Parents and guardians can make their own vaccination appointments for their children directly through the COVID-19 Vaccination Programme website:
https://booking.covidvaccine.gov.hk/forms/index_tc.jsp

The school would like to know the parents' opinion and collect the number of students who wish to participate in vaccination for corresponding arrangements.

Please reply to this notice on or before 16th February. Thank you for your attention.

Remarks: In view of the increasingly severe epidemic situation (there is one fatal case and heavy symptoms among infected children) and the time it takes for school to arrange in-school vaccination, we encourage parents in need can choose to make appointments for their children to be vaccinated by themselves.

Mr. Chim Hon Ming
Principal, CSSHK
