Dear Parents/Guardians,

Group Booking Appointment for COVID-19 Vaccination 2021-22 No.e134B

(To: Selected students)

In regard of the notice concerning the student Covid-19 vaccination, the school has collected the responses from parents and the number of students does not meet the minimum requirement for applying the in-school vaccination service.

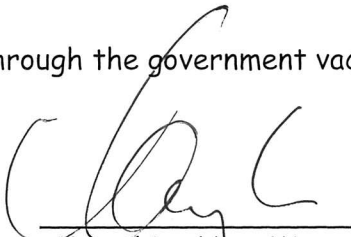

The school now intends to arrange for students to be vaccinated at the community vaccination center through "group booking appointment". By this, the school will arrange school buses and teachers and parents will accompany the students to the vaccination center for vaccination.

The "group booking appointment" also requires enough students to participate. **Parents are required to accompany the students for the vaccination.**

If the arrangement is successful, the school will issue a separate notice to notify the detailed arrangements. Please return the e-reply slip on or before 21st February.

Since the application and arrangements for the group booking take time, there is no definite date for the vaccination yet.

Parents can also choose to book the vaccination for students through the government vaccine website by themselves: <https://www.covidvaccine.gov.hk/en/>

Reply slip of Group Booking Appointment for COVID-19 Vaccination 2021-22 No.e134B

I acknowledge receipt of the above notice and understand its content.

I would like my child to join the school's "group booking appointment" for vaccination.

(Parents are required to accompany the students for the vaccination.)

Please choose the type of vaccine:

Sinovac vaccine

Comirnaty vaccine (BioNTech)

I will book the vaccination for my child by myself.
