23rd February, 2022

Dear Parents/Guardians,

Cancellation of Group Booking Appointment for COVID-19 Vaccination 2021-22 No.e135B
(To: Selected students)

In light of the severe epidemic situation, the Hong Kong government has just announced a series of anti-epidemic measures including this year's summer holidays will start early in March. The school premises will have the chance to be used as centres for territory wide compulsory Covid-19 testing. In view of this, the group booking vaccination arrangement have to be cancelled.

In addition, the government has increased the capacity of children's vaccination from this week and it will be much faster to book the vaccination online. Parents are requested to make an online vaccination appointment for their children as soon as possible.

We apologize for the inconvenience caused.
