1<sup>st</sup> September, 2022

Dear Parents/Guardians,

Notice on "Early Identification and Intervention Programme for Primary One Students with Learning Difficulties" 2022-2023 No.003B  
(To: P.1 students)

In order to have early identification of Primary 1 students at risk of learning difficulties, our school is going to carry out the above programme from December 2022 to January 2023. Supported by Educational Psychologist, the Student Support Team of our school will formulate and implement appropriate learning support to the students. (Details can be found in the attached leaflet.)

Parents are encouraged to discuss your child's behaviour or learning problems with subject teachers and collaborate with the school in the programme.

Please return the reply slip to the class teacher on or before 5<sup>th</sup> September, 2022. For further enquiries, please contact Ms. Mandy Tong or your child's class teacher.

  
Mr. Chim Hon Ming  
Principal, CSSHK
