Dear Parents/Guardians,

Notice on Children TV Program production by "Hong Kong Open TV" 2022-23 No. 078B

(To: Individual students)

The "Hong Kong Open TV" will be filming a new children's program "Fun After School". The theme of the program is that children can participate in different interesting ECA activities after school to relieve their stress. At the same time, the program hopes to inspire children with more creativity, experience and ideas. In addition, the program will also focus on the children's moral cultivation and values such as respect, sharing, honesty, mutual love, self-discipline, etc.

The production team will come to our school in the morning of 20/10 Thursday. Our students are invited to participate in one of the filming sessions, "Let's Talk About Your Mind", allowing students to freely express their opinions and creativity on specific topics. The program will be put on the "Hong Kong Open TV" channel (Channel number 77 of the local digital broadcast) later when the production is finished.

Please return the reply slip to class teacher on Thursday 20/10. Thank you for your attention.
