Dear Parents/Guardians,

Notice on "Jockey Club Joy of e-Reading Scheme" and  
"E-book learning platform" 2022-23 No. e129B  
(To: All students)

Our school is honored to be supported by The Hong Kong Jockey Club Charities Trust to participate in the Jockey Club Joy of e-Reading Scheme. Our school has planned to purchase different e-reading platforms (please refer to the attachment for the login method) to allow students to access a wide range of e-books and e-resources so that to improve their self-learning ability.

To celebrate the official launch of the program, they would like to hold a "joy" e-reading day on the afternoon of January 7, 2023 at Discovery Park, Tsuen Wan. The organization will provide a series of reading-related activities on the day, including e-reading experience zone, game booths, handicrafts, parent-child reading workshops, etc. Parents and children are welcome to experience the fun of e-reading together.

If you are interested in participating in this event, please refer to the program website [www.jcereading.com](http://www.jcereading.com) for event and registration details. If you have any enquiries, please contact Teacher Librarian (Ms. Man).
