Dear Parents/Guardians of P.5,

Notice on Understanding Adolescent Project (UAP) 2022-2023 No.199B

(To: Selected P.5 students)

The Education Bureau has launched the UAP since the 2004/05 school year. The UAP is a comprehensive support programme for personal growth. It aims at enhancing primary students' resilience in coping with the challenges they have to face as they grow up. Both parents and teachers considered that the project would enhance students' optimism, sense of belonging towards their families and schools, communication skills and co-operation with others.

The programme consists of various activities focusing on social skills, emotional management, problem solving and goal setting. Parents' involvement is also an important part of the programme. This year, the responsible organization for the programme is HKFYG.

Your child is recommended by teachers to join the above programme and you are cordially invited to encourage him/her to participate actively; we will notify parents of any change of date/time/place of the events in advance. Details of the activities are listed in the attachment.

Please return the reply slip on 21st March to Mr. Toby. Thank you for your attention.

Mr. Chim Hon Ming
