10<sup>th</sup> July, 2023

Dear Parents/Guardians,

Notice on purchasing of "School Year Book" 2022-2023 No.255B

(To: All Students)

The 2022-2023 school year is destined to be a very special year for students and parents. In order to capture all those memorable moments of school life, a School Year Book will be published in October. This year, the book will contain about 200 pages of memories. It covers students' academic performance, major school events and students' school life.

The price of the year book is set at a minimum of \$100. If parents donate \$200 or above, your name will be published in the year book and you will receive a complimentary copy. All the revenue received will go to the "School Development Fund" which benefits the students.

For parents interested in owning a beautiful copy of the year book, please hand in the reply slip and fee to the class teacher on or before 12<sup>th</sup> July. The year book will be distributed to your child in October. Thank you for your attention.

  
Mr. Chim Hon Ming  
Principal, CSSHK
