Dear Parents/Guardians,

Notice on Understanding Adolescent Project (UAP) 2023-24 No.044B

(To: Selected P.6 students)

Your child has joined the UAP programme since the 2019/20 school year. The UAP is a comprehensive support programme for personal growth. It aims at enhancing primary students' resilience in coping with the challenges they have to face as they grow up. Both parents and teachers considered that the project would enhance students' optimism, sense of belonging towards their families and schools, communication skills and co-operation with others.

The programme consists of various activities focusing on social skills, emotional management, problem solving and goal setting. This year, the responsible team for the "Booster programme" is The Hong Kong Federation of Youth Groups.

Your child is recommended to join the above "Booster programme" and you are cordially invited to encourage him/her to participate actively. Details of the activities are listed in the attachment.

Please return the reply slip on or before 20/9. If you have any enquiries, please contact Mr. Toby. Thank you for your attention.
