Dear Parents/Guardians,

Application method of Student Grant 2023-24 No.063B
(To: All students)

As part of the \$19.1 billion relief measures announced by the Financial Secretary in August 2019, a one-off student grant of \$2,500 for each secondary day-school, primary school and kindergarten student will be provided in the 2019/20 school year to alleviate parents' financial burden in defraying education expenses. The Chief Executive further proposed in the 2019 Policy Address to regularise the provision of the student grant starting from the 2020/21 school year.

Starting from this school year, this subsidy can be applied through the "iAM Smart" electronic platform and paper forms. However, for the sake of administrative convenience and uniformity, parents are requested not to apply through the electronic platform and continue to use the paper forms.

The school will distribute the application forms to parents in early October. Please be patient and further notice will be given together with the application form.
