Dear Parents/Guardians,

Notice on "No Air Con Night 2023" 2023-2024 No. e076B

(To : All Students)

Our school has joined the territory-wide green event "No Air Con Night 2023", organized by Green Sense. Hereby, we would like to invite parents to join this meaningful event with us.

The "No Air Con Night 2023" aims at promoting the message of using energy wisely and shaking the dependence on air conditioning. It is to remind citizens to rethink how their habits rapidly affect our natural environment, and take action to slow down global warming.

Families who pledge to join the "No Air Con Night 2023" are going to turn off the air con at home when the outdoor temperature is lower than 27°C. By making good use of air-conditioning and saving energy, you can also feel the connection between humans and nature and strengthen their interaction with the environment. To learn more, please visit <http://greensense.org.hk/noaircon>.

Please fill in the e-reply slip on or before 27th September.
