Dear Parents/Guardians,

Notice on the Distribution of Student Grant 2023-24 No.086B
(To: All students)

As part of the \$19.1 billion relief measures announced by the Financial Secretary in August 2019, a one-off student grant of \$2,500 for each secondary day-school, primary school and kindergarten student will be provided in the 2019/20 school year to alleviate parents' financial burden in defraying education expenses. The Chief Executive further proposed in the 2019 Policy Address to regularise the provision of the student grant starting from the 2020/21 school year.

The school is distributing the application forms (form A and B) to parents.

- Form B is pre-printed with the basic information of the student as well as that of the applicant applicable to students who have been promoted to the next class level in the same school ;
- Form A is a blank form applicable to students who are newly admitted to a school in this school year or have transferred to another school.

The Education Bureau will start disbursing the subsidy to parents of eligible students after receiving the applications. As parents generally possess local bank accounts, the subsidy will be disbursed to parents via bank transfer. **If parents have submitted their application through the "iAM Smart" electronic platform earlier, you don't have to fill in the paper form again.**

Please check, complete and sign the application form and hand it back to the class teacher on or before 16th October. The school will certify and return the application forms to the Education Bureau as soon as possible.
