Dear Parents/Guardians,

Notice on the "Establishment of parent account of the SSPA e-Platform" 2023-2024 No.123B

(To: P.6 parents)

In order to be in line with the Smart Government strategy, the Education Bureau (EDB) has implemented the digitalisation of Secondary 1 (S1) admissions starting from 2023. Parents who have registered as SSPA e-Platform users with "iAM Smart+" may submit the applications for DP, CA and cross-net allocation (if necessary), and view application results via the SSPA e-Platform.

The application period for the Discretionary Places for the SSPA 2022/2024 cycle is from 2 January to 16 January 2024. The EDB encourages parents to register with "iAM Smart+" as early as possible for more convenient and efficient services throughout the entire S1 application process. Parents may find the account information on P.38 or 39 of the Student Handbook.

To help parents understand application procedures related to eSSPA, the Education Bureau has prepared Parent's Guides, including pamphlets and videos, for your reference. Parents may visit the website (<http://www.edb.gov.hk>) or scan the attached QR code for details.

Please sign the reply slip and return it to the class teacher before 15th November.
