3rd December, 2023

Dear Parents/Guardians,

Notice on "Parent Education Programmes for Non-Chinese Speaking Parents" 2023-2024

No. 133B

(To: All NCS Students)

The Government is committed to enhancing the Chinese proficiency of NCS students to prepare them for further studies and work, as well as integration in the local community. In the course of learning Chinese, while it requires the continuous effort of schools, teachers and NCS students, support from families in creating an environment conducive to the learning of Chinese is also essential. In this connection, EDB has been providing a series of parent education programmes for NCS parents since the 2020/21 school year, including parent education talks, exhibitions and community activities. The programmes aim at raising the parents' awareness regarding the importance of early exposure to and learning of Chinese for their children. They also seek to inform parents of the multiple pathways available to their children and to enhance the communication between parents and schools to foster better learning support for their children.

To support more NCS parents, EDB will continue to provide relevant parent education programmes in the 2023/24 school year and introduce a series of activities progressively starting from mid-November 2023. Parents who are interested in joining these programmes may refer to the event calendar on EDB's website. Please scan the QR code below to see the event calendar. Enrolment methods and the information of the activities will be updated as and when appropriate.

Event calendar on "Parent Education Programmes for Non-Chinese Speaking Parents"

Please return the reply slip to the class teacher on or before 6th December. For further enquiries, please contact the class teacher or Ms. Nicole Hui.
